Smoke Alarm Policy

Baptist Bible College will supply and install all required smoke alarms.
Baptist Bible College will test and maintain in a fully operable condition all smoke alarms in common areas.
Baptist Bible College will not rent or let any dwelling unit or room that does not have functional and working alarms at the time of occupancy.
Baptist Bible College will not be liable for any damages caused from the smoke alarm being tampered with or disabled in any way by the tenant. (Sec. 74-271)

Baptist Bible College is not required, under city ordinance, to provide batteries for battery operated smoke detectors. However, because safety is of utmost importance on our campus, batteries may be requested, free of charge, from the Safety and Security department 24 hours a day at (417) 268-6611.
You may not remove or relocate any smoke alarm installed by Baptist Bible College.
You may not disconnect the electrical source from electrically powered smoke alarm.
You are responsible to test and maintain alarms within the dwelling and notify the Safety and Security department of any deficiencies. (Sec. 74-272)
