

Youth Ministry

Richard Bemart - Program Chair

“The mission of the Church Ministries Department is to train leaders for local church ministry by providing students with practical instruction for the needs of a changing world.”

Upon completion of this program, students should be able to:

Formulate a biblical basis for philosophy of ministry and the support role of a staff member.

Communicate God's Word by integrating theology and methodology into needs driven, age-appropriate curriculum and programming.

Create, understand and implement strategies for community and world evangelism of all age groups.

Design and implement techniques for enlisting, training, assigning and supporting personnel in church ministries.
